

What does Spring Forward deliver?

Spring Forward is a career development programme for people who are approaching or newly appointed to a management role, or as a next step for those who have previously participated in the Springboard Women's Development Programme or the Navigator work and personal development course for men.

They can join the Spring Forward Programme to benefit from career development with a management focus to enable participants to become more focussed whilst improve their management performance by gaining insight into how gender, culture and managerial issues influence communication at work. It enables participants to:

- brush away the cobwebs and take an in-depth look at what they are doing and where they are going
- clarify their aspirations
- become more focussed
- improve their management performance by gaining insight into how gender, culture and managerial issues influence communication at work.
- participants will implement a healthy stress management strategy, boost their self-motivation and create a positive attitude.

1 For individuals

If you are new to management or considering a move into management and progressing to a leadership role, Spring Forward can help. It will help clarify career aspirations, set stretching, yet realistic goals, improve motivation and provide a more focussed and positive attitude.

2 For employers

For employers, it reduces the time taken for people to settle into a management role, improves their work performance, gives newly promoted managers the skills and confidence in adapting to their new role and also supports those people considering a management role.

3 The innovative programme structure

This programme structure is designed to put your positive attributes to work harnessing your 'drivers' for increased success.

4 Outcomes that make a difference

Enthusiastic evaluations of the Spring Forward programme provide some fantastic data. **Here is just a flavour of the results:**

5 Our clients

"Spring Forward had topics and exercises that I could identify and join in fully. I suspect, as a man, that other men will find Spring Forward very rewarding, but quite tough in its expectations to express one's self and feelings."

Seb Gillot,
Assistant to Equal
Opportunities Officer,
University of Cambridge

"Boosts your self-esteem and brings you to your self-realisation. Especially if you are at a cross roads, be it in personal or work experience."

Lilian Geke,
Henkel Kenya Ltd

"It has given me options and choices, I now have a clear picture of where I am going and I feel confident about mapping a route that will get me there."

Rosemary Burns,
Communications & Liaison
Manager, Inland Revenue
