

SPRINGBOARD WOMEN'S DEVELOPMENT TRAINER LICENSING PROGRAMME

As part of our global trainer network you too can deliver the award-winning programme that has made a proven difference to women around the world for over 30 years.

The Springboard for Women Development Programme empowers women to take control, recognise their abilities and strive for equality, all while helping participants to develop their confidence, assertiveness and build a positive self-image.

As a fully licensed Springboard trainer you can take women on a transformational journey and guide them to achieving their personal and career goals.

Why Become A Springboard Trainer?

- Join an active global community of personal trainers
- Be part of the transformational journey of your participants
- Access a range of professional tools and resources - all researched, piloted, and finely tuned
